

ADITYA MADHUKAR SASE

Pune, Maharashtra | +91 9604735635 | saseaditya0915@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Python backend developer with 6 months of internship experience building production REST APIs using Django and DRF for a logistics platform serving multiple user roles. Shipped JWT authentication, RBAC, OTP verification workflows. Works across the full Django stack — MySQL, Django ORM, and React.js integration. Passionate about writing clean, scalable backend code and continuously expanding expertise in modern Python development practices.

TECHNICAL SKILLS

Languages: Python, SQL, JavaScript

Backend: Django, Django REST Framework (DRF), RESTful APIs, JWT Authentication, Role-Based Access Control (RBAC)

Frontend: React.js, HTML5, CSS3, Bootstrap

Databases: MySQL, SQLite, Django ORM

Machine Learning: NumPy, Pandas, Matplotlib, Seaborn, Scikit-learn, Data Preprocessing, Regression, Classification

Tools and Platforms: Git, GitHub, Postman, VS Code, PyCharm, Jupyter Notebook, PythonAnywhere, Excel, JSON

PROFESSIONAL EXPERIENCE

Python Developer Intern | Prygma Information Systems LLP , Ahilyanagar Nov 2025 – Apr 2026 / 6 Months

- Developed and maintained REST APIs using Django REST Framework for logistics operations.
- Implemented JWT authentication and RBAC for multiple user roles.
- Worked on shipment tracking, OTP verification, and payment workflow modules.
- Tested APIs using Postman and collaborated in an Agile development environment.

PROJECTS

Loan Finance Web Application | Python, Django, MySQL, HTML, CSS, Bootstrap, JavaScript

- Developed a secure loan management system with workflow automation and role-based access.
- Developed loan application CRUD operations using Django MVT architecture.
- Implemented real-time EMI calculation and automated loan disbursement scheduling.

TempoLogi – Logistics & Transportation Platform | Python, Django, DRF, MySQL, React.js

- Developed logistics APIs for load posting, bidding, and vehicle scheduling.
- Implemented JWT authentication, RBAC, escrow payments, and OTP delivery verification.
- Developed admin modules for KYC verification, dispute management, and revenue analytics.

Student Attendance Management System | Python, Django, SQLite, OpenCV, HTML, CSS, Bootstrap

- Built a multi-role attendance system with facial recognition using OpenCV.
- Designed database schemas and CRUD operations using Django ORM.
- Added Excel report export and automated alerts for attendance below 75%.

EDUCATION

Master of Computer Science (MCS) 2024 – 2026

Savitribai Phule Pune University — Mamasahab Mohol College, Pune

Bachelor of Computer Science (BCS) 2021 – 2024

Savitribai Phule Pune University — Pemraj Sarda College, Ahilyanagar | 7.22/10

Higher Secondary Certificate (HSC) 2020 – 2021

New Arts Commerce & Science College, Ahilyanagar | 84.33%

CERTIFICATIONS

Full Stack Python Training Certificate | Adhyayan IT Training & Placement, Pune | Aug 2024 - Feb 2025 | 6 Months

LANGUAGES

English | Hindi | Marathi
